## **WVM Natural**

Cattle sold as “WVM NATURAL” are owner certified and will be accompanied by an affidavit signed by the seller. The cattle will meet the following requirements:

The cattle have **NEVER** been:

- Fed or injected with any antibiotics or ingredients containing possible antibiotic residues, including most boluses.
- Fed any antibiotic ionophores such as Bovatec or Rumensin
- Implanted with any synthetic hormones, growth promotants or steroids of any kind.
- Given any feed or supplement containing animal by-products

Look for WVM NATURAL on your screen and in the catalog!  
Purchased cattle listed as WVM NATURAL must have previous owner's verification papers.
